Product parameters

Parameter

Brand

UDOHOW

Size

H330 W36 T25mm

Suitable category

Wooden door

How to open the door

WeChat ,Password ,Fingerprint
card ,key , mobile phone

Capacity

Fingerprint ,Password ,
Magnetic Card , A total of 250

Product material

Aluminum alloy

Quality

Authoritative quality
inspection passed

Working power

4 AA batteries

Rejection rate

≤0.01%

Operating temperature

-25°C~55°C
