The diagram illustrates a smart building system architecture. A central computer is connected to several components via a circular network. The components include:

- Management Software**: Represented by a CD-ROM icon.
- Card reader**: A black device with a card slot and a signal icon.
- Card**: A white card with the word "Card" written on it.
- Lock**: A gold-colored door lock.
- Energy-saving switch**: A grey rectangular switch with a hand icon.
