Size

H330 W36 T25mm

Suitable category

Wooden door

How to open the door

WeChat ,Password ,Fingerprint
card ,key , mobile phone

Capacity

Fingerprint ,Password ,
Magnetic Card , A total of 250

Product material

Aluminum alloy

Quality

Authoritative quality
inspection passed

Working power

4 AA batteries

Rejection rate

≤0.01%

Operating temperature

-25°C~55°C

Pagtutukoy

Pangalan ng produkto	Smart Camera Aluminum Door Lock
Materyal	Aluminum alloy
I-unlock ang Way	Appfingerprintpasscodecardkey
Sukat	330*36mm
Mortise	85 series swing mortise/2885/3585 sliding mortise
Power Supply	4pcs AA alkaline na baterya
Kapal ng Pinto	40-60mm
Suportahan ang OS	IOS 7.0 o mas mataas, Android 4.4 o mas mataas
Warranty	1 taon, panghabambuhay na teknikal na suporta
